Plaintiff herein complains of defendants herein, and alleges as follows:

JURISDICTION AND VENUE

1. This court has jurisdiction over this matter and these defendants pursuant to 28 USC § 1331 for violations of the Americans with Disabilities Act of 1990 (42 USC §12101 et seq.).

Pursuant to pendant jurisdiction, attendant and related causes of action, arising from the same facts, action is also brought under California law, including, but not limited to, violations of California Government Code §4450; California Health and Safety Code §19953 et seq., and applicable regulations, including but not limited to California Code of Regulations, Title 24, §19959; and California Civil Code §§ 51, 51.5, 52(a), 52.1, 54, 54.1, and 54.3. During the

1 periods relevant to this complaint, defendant SJRJ Investment Inc. owned and operated the
2 business using the name “Save on Fuel” at 420 West Yosemite Ave., Manteca, California in
3 this judicial district. On information and belief, during the periods relevant to this complaint,
4 defendants Pritpal Singh and Amrinder Kaur owned and owns the real property on which this
5 business is operated in this judicial district.

- 6 2. Venue is proper in this court pursuant to 28 USC §1391(b) and is founded on the fact that the
7 real property that is the subject of this action is located in this district, and that plaintiff’s cause
8 of action arose in this district.

9
10 INTRODUCTION

- 11 3. Save on Fuel (the “Business”) is located at 420 West Yosemite Ave., Manteca, California.
12 During the relevant periods in this lawsuit, said business was and is owned and operated by
13 defendant SJRJ Investment Inc. On information and belief, during the relevant periods in this
14 lawsuit, the real property was and is owned by defendants Pritpal Singh and Amrinder Kaur.
15 The Business is a “public accommodation and business establishment” subject to California
16 Health and Safety Code §19955 et seq. and California Civil Code §54. On information and
17 belief, this Business has, since July 1, 1970, undergone construction and/or “alterations,
18 structural repairs, or additions,” subjecting such facility to disabled access requirements per
19 Health and Safety Code §19955 to 19959 et seq. Construction and alterations since July 1,
20 1982 also subjected these facilities to the requirements of California’s Title 24, the State
21 Building Code. Further, irrespective of alternation history, such premises are subject to the
22 “readily achievable” barrier removal requirements of Title III of the Americans with
23 Disabilities Act of 1990.
- 24 4. Defendants SJRJ Investment Inc., Pritpal Singh, and Amrinder Kaur operated and operate the
25 Business, an establishment for services to the public at which business and location said
26 defendants failed to provide barrier-free access to said establishment as required under federal
27 and California state law. Further, defendants failed to provide compliance with the law as
28 follows:
- a. Exterior: The designated parking space was defective, as follows. These conditions
violated the Americans With Disabilities Act (“ADA”), United States Access Board

1 ADA Accessibility Guidelines (“ADAAG”). ADAAG §4.6.3 (1991 standards) (the
2 improper parking space dimensions), and §4.6.6 and §4.1.2(5)(b) (1991 standards) (the
3 lack of properly painted passenger access aisle that is 96 inches wide and a properly
4 painted parking space that is 18 feet long), and similarly, in violation of ADAAG
5 §502.3 (2010 standards). There was no proper designated disabled-accessible van-
6 accessible parking space on the shortest accessible route to the main entrance,
7 including that there was no “van accessible” space on such route, in violation of
8 ADAAG 4.6.2 (1991) (requiring shortest route), 4.1.2(b) (1991) (one in eight, but no
9 less than one, must be “van accessible” as per ADAAG 4.6.4); also under ADAS §208,
10 §208.3.1; §502 (requirement for parking space), and §502.3 (requirement for access
11 aisle)(2010 standards). (There was signage for a disabled parking space, pursuant to
12 ADAAG 4.6.4 (1991 standards) and ADAAG 502.6 (2010 standards).) These
13 conditions also violated ADAAG 4.6.4 (1991 standards) and also violated 502.6 and
14 703.2.1 (2010 standards)(no proper parking space designated “van accessible”). These
15 conditions were also in violation of California Building Code (“CBC”) 11B 208.3.1
16 (parking space not on shortest accessible route); §11B-208 (insufficient or no paint to
17 delineate the space itself or an access aisle), 11B-705.1.2.5 (lack of detectable
18 warnings at hazardous vehicle areas), 11B-502.2 (improper vehicle space dimensions,
19 in that there was not a properly laid-out access aisle), 11B-502.6.4 (faded or non-
20 existent surface identification); no properly-painted space was designated “van
21 accessible” (CBC 11B-208.2.4 requires one in every six spaces); and 11B-502.3.3 (“no
22 parking” was not painted in a properly configured access aisle). The paint on the
23 asphalt was almost completely faded and had disappeared in most places. Further, the
24 surface of the access aisle was rough and broken. The space was not on the shortest
25 route to the entrance, but rather, required a disabled customer to cross from the space
26 through a vehicle-transit area. The path of travel from the defective space to the
27 entrance was also not compliant: the surface was rough and had vertical transitions of
28 more than ¼ inch, and slopes of more than 2%. These conditions caused plaintiff
difficulties in finding a safe place to park, safely exit his vehicle, and reach the
entrance safely due to cross traffic through the transit area. This caused plaintiff
legitimate concern for his own safety as he got out of his vehicle and entered the

1 facility. Also, because of the lack of a proper access aisle, plaintiff was concerned that
2 another vehicle could pull in and try to park next to him without realizing that a
3 disabled person was in the process of entering or exiting his vehicle. This was
4 dangerous for plaintiff, because the insufficient markings did not sufficiently warn
5 other drivers that a disabled person might be loading or unloading his walker.

6 b. Interior: The sales and service counter was over 36 inches above the finished floor and
7 less than 36 inches wide, in violation of ADAAG 904.4.1 (2010 standards), in that it
8 was more than 36 inches high and less than 36 inches long. This also violated CBC
9 11B-904.4.1 (more than 34 inches high and less than 36 inches long). This caused
10 difficulty for plaintiff in making his purchases.

11 c. Interior: Some of the aisles inside the Business were too narrow and caused difficulty
12 to move about, turn at the end of aisles, and shop. In some places, the aisles were less
13 than 36 inches wide, and also less than 44 inches wide when serving both sides, and
14 less than 48 inches at the turns, in violation of ADAAG 4.2 and 4.3 (1991), ADAS
15 403.5.1 (2010), and CBC 11B-403.5.1 and CBC 11B-403.5.2. This made it more
16 difficult and laborious for plaintiff to move about and shop, as he had to be careful to
17 avoid bumping into displayed products and knocking them to the floor. Also, he
18 observed the employee of the Business watching him with concern as he moved in the
19 narrow aisles. This made him feel embarrassed.

20 5. The above barriers interfered with Plaintiff's access to the facilities at the Business, and
21 continue to deter plaintiff from visiting said facilities, and as a legal result, plaintiff has
22 suffered and suffers violations of his civil rights to full and equal enjoyment of goods,
23 services, facilities and privileges, and has suffered and will suffer embarrassment and
24 humiliation. Pursuant to *Lopez v. Catalina Channel Express, Inc.*, 974 F.3d 1030 (9th Cir.
25 2020), plaintiff, in order to plausibly show that the cost of removing an architectural barrier
26 does not exceed the benefits under the particular circumstances, and by way of a plausible
27 proposal for barrier removal, the costs of which, facially, do not clearly exceed its benefits,
28 pleads the following. To remedy the parking space, paint a proper space and access aisle in
new place closer to the entrance, and install new signage; cost around \$5,000. To remedy the
service counter, install a compliant counter, costing around \$500. To remedy the aisles and the
alcove, move the aisles to widen them, costing nothing. These cost estimates are based on

estimates given in similar ADA cases in which plaintiff has been involved, by plaintiff's expert, California licensed civil engineer and CASp-certified. In normal circumstances, tax deductions and tax credits are available to defendants to do this kind of work, to the extent that the work costs anything at all. Each case is different, and these numbers are only estimates. A formal site inspection with the assistance of plaintiff's expert has not yet been performed.

FACTUAL ALLEGATIONS

6. Plaintiff is, and at all times relevant to this complaint is, a "physically handicapped person," a "physically disabled person," and a "person with a disability" as those terms are used under applicable California law and under applicable federal law, including, but not limited to, Title III of the Americans with Disabilities Act of 1990. (The terms "physically handicapped person," a "physically disabled person," and a "person with a disability" will be used interchangeably throughout this complaint.) Plaintiff is limited in the use of his legs and must use a walker. Plaintiff is a Vietnam veteran, who has been found to be 100% disabled by the Veterans Administration. He has degenerative disc disease in his back and arthritis in his joints, including his knees. This causes pain when moving and twisting. At times, he must sit on the seat portion of his walker due to knee pain, and move it in the manner of a wheelchair.
7. Defendants SJRJ Investment Inc., Pritpal Singh, and Amrinder Kaur, at all times relevant herein, were and are the owner, operator, lessor, and/or lessee, franchisor and/or franchisee, of public facilities at the Business, known and operated as "Save on Fuel" located at 420 West Yosemite Ave., Manteca, California, subject to California state law requiring full and equal access to public facilities pursuant to California Health and Safety Code §19955 et seq., California Civil Code §§ 51, 51.5, 52(a), 52.1, 54, 54.1, and 54.3, and subject to Title III of the Americans with Disabilities Act of 1990, and to all the other legal requirements referred to in this complaint. Plaintiff does not know the relative responsibilities of the defendants in the operation of the Business facilities complained of herein, and alleges a joint venture and common enterprise by all such defendants.
8. Defendants SJRJ Investment Inc., Pritpal Singh, and Amrinder Kaur, at all times relevant herein were and are the owner, operator, possessor, builder and keeper of the Business called Save on Fuel in the city of Manteca, California. Plaintiff is informed and believes that each of

the defendants herein is the agent, employee, or representative of each of the other defendants, and performed acts and omissions as stated herein within the scope of such agency or employment or representative capacity and is responsible in some manner for the acts and omissions of the other defendants in legally causing the damages complained of herein, and have approved or ratified each of the acts or omissions of each other defendant, as herein described.

9. Plaintiff does not know the true names and capacities of defendants Does 1 to 50, their business capacities, their ownership connection to the property and the business, nor their relative responsibilities or relationships among one another in causing the access violations herein complained of, and alleges a joint venture and common enterprise among all defendants. Plaintiff is informed and believes that each of the defendants herein is the agent, ostensible agent, master, servant, employer, employee, representative, franchiser, franchisee, joint venturer, partner, and associate, or such similar capacity, of each of the other defendants, and was at all times acting and performing, or failing to act or perform, with the authorization, consent, permission or ratification of each of the other defendants, and is responsible in some manner for the acts and omissions of the other defendants in legally causing the violations and damages complained of herein, and have approved or ratified each of the acts or omissions of each other defendant, as herein described. Plaintiff will seek leave to amend this Complaint when the true names, capacities, connections and responsibilities of defendants are ascertained.

10. Plaintiff is informed and believes that all named defendants, aided and abetted one another in the performance of the wrongful acts or omissions hereinafter complained of.

11. Defendants are the owners of the property and operators of the Business called Save on Fuel located in the city of Manteca, California. This business, including, but not limited to, access aisles and access routes, is or forms a part of a “public accommodation or facility” subject to the requirements of *California Health & Safety Code* §19955, et seq., and of *California Civil Code* §§51, 52(a), 54, 54.1, et seq. On information and belief, this business, or portions of it, was constructed or altered after 1990, and after January 26, 1993, which fact has subjected the business to handicapped access requirements per California Code of Regulations Title 24 (the State Building Code).

- 1 12. On March 29, 2025, Plaintiff went to the Business to buy food and drink and fuel. (The “Visit
2 Dates.”) Defendants interfered with Plaintiff’s access to the Business as set forth herein.
3 Plaintiff was further deterred from returning on April 26, 2025, due to the ongoing presence of
4 the barriers, some of which can be observed from the public street, and he claims damages for
5 this deterred visit as well.
- 6 13. Said acts and omissions denied Plaintiff legal handicapped access to the Business and its
7 facilities as required under state and federal law.
- 8 14. Plaintiff’s home in Manteca, California is approximately two miles from the Business located
9 in the city of Manteca. Plaintiff travels regularly to and through said city on business and
10 pleasure trips. Plaintiff plans to return to the Business when this public accommodation is
11 made accessible.
- 12 15. Plaintiff himself encountered the architectural barriers described herein, and/or is informed
13 and believes that the architectural barriers described herein violate the California Code of
14 Regulations and the Americans with Disabilities Act Guidelines for Buildings and Facilities
15 (“ADAAG”) issued by the Department of Justice, and that they existed and continue to exist,
16 and thereby deny Plaintiff and others similarly situated full and equal access to the Business
17 facilities as set forth herein.
- 18 16. Defendants, and each of them, by these barriers, discriminated against Plaintiff, on the basis of
19 his physical disability, and interfered with his access to the Business and its facilities, in
20 violation of California law, including but not limited to §§51, 51.5, 54, 54.1, and in violation
21 of Title III, §302, the “Prohibition against Discrimination” provision, and §503, the
22 “Prohibition against Retaliation and Coercion” provision of the Americans with Disabilities
23 Act of 1990.
- 24 17. As a result of the actions and failure to act of defendants, and each of them, and as a result of
25 the failure to provide proper and accessible entryways, and accessible accommodations for a
26 business such as this, Plaintiff suffered and will suffer the loss of his civil rights to full and
27 equal access to public facilities, and further has suffered in the past and will suffer in the future
28 emotional distress, mental distress, mental suffering, mental anguish, which includes shame,
humiliation, embarrassment, anger, chagrin, disappointment and worry, expectedly and
naturally associated with a person with a disability being denied access to a public

1 accommodation, all to his damages as prayed hereinafter in an amount within the jurisdiction
2 of this court.

3
4 I. FIRST CAUSE OF ACTION: VIOLATION OF THE AMERICANS WITH
5 DISABILITIES ACT OF 1990 (42 USC 12101 et seq.)

6
7 18. Plaintiff repleads and incorporates by reference, as if fully set forth again herein, the
8 allegations contained in paragraphs 1 to 17 above and incorporates them herein as if separately
9 pled.

10 19. Pursuant to law, in 1990 the United States congress made findings per 42 USC 12101
11 regarding persons with physical disabilities, finding that laws were needed to more fully
12 protect [at that time] 43 million Americans with one or more physical or mental disabilities;
13 [that] historically society has tended to isolate and segregate individuals with disabilities;
14 [that] such forms of discrimination against individuals with disabilities continue to be a serious
15 and pervasive social problem; [that] the nation's proper goals regarding individuals with
16 disabilities are to assure equality of opportunity, full participation, independent living and
17 economic self-sufficiency such individuals; [and that] the continuing existence of unfair and
18 unnecessary discrimination and prejudice denies people with disabilities the opportunity to
19 compete on an equal basis and to pursue those opportunities for which our free society is
20 justifiably famous.

21 20. Congress stated as its purpose in passing the Americans With Disabilities Act of 1990 (42
22 USC 12102):

- 23 a. It is the purpose of this act (1) to provide a clear and comprehensive national mandate
24 for the elimination of discrimination against individuals with disabilities; (2) to provide
25 clear, strong, consistent, enforceable standards; (3) to ensure that the Federal
26 Government plays a central role in enforcing the standards established in this Act on
27 behalf of individuals with disabilities; (4) to invoke the sweep of Congressional
28 authority, including the power to enforce the 14th amendment and to regulate
commerce, in order to address the major areas of discrimination faced day to day by
people with disabilities.

1 21. As part of the Americans with Disabilities Act of 1990, Congress approved Title III – Public
2 Accommodations and Services Operated by Private Entities (42 USC 12181, et seq.) Among
3 the public accommodations identified under this title were “... a bakery, grocery store,
4 clothing store, hardware store, shopping center, or other sales or rental establishment.”

5 22. Pursuant to 42 USC 12182,

- 6 a. “No individual shall be discriminated against on the basis of disability in the full and
7 equal enjoyment of the goods, services, facilities, privileges, advantages or
8 accommodations by any person who owns, leases, (or leases to), or operates a place of
9 public accommodation.”

10 23. Among the general prohibitions against discrimination were included in 42 USC
11 12182(b)(1)(A)(i):

- 12 a. Denial of Participation. It shall be discriminatory to subject an individual on the basis
13 of a disability or disabilities of such individual or class, directly, or through
14 contractual, licensing, or other arrangements, to a denial of the opportunity of the
15 individual or class to participate in or benefit from the goods, services, facilities,
16 privileges, advantages, or accommodations of an entity.

17 24. Among the general prohibitions against discrimination were included in 42 USC
18 12182(b)(1)(E):

- 19 a. Association. It shall be discriminatory to exclude or otherwise deny equal goods,
20 services, facilities, privileges, advantages, accommodations, or other opportunities to
21 an individual or entity because of the known disability of an individual with whom the
22 individual or entity is known to have a relationship or association.

23 25. The acts of Defendants set forth herein were a violation of Plaintiff’s rights under the ADA,
24 and the regulations promulgated thereunder, 28 Code of Federal Regulations Part 36 et seq.

25 26. Among the general prohibits against discrimination were included in 42 USC
26 12182(b)(2)(A)(i) and (ii):

- 27 a. Discrimination. For purposes of subsection (a), discrimination includes:
28 i. the imposition or application of eligibility criteria that screen out or tend to
screen out an individual with a disability or any class of individuals with
disabilities from fully and equally enjoying any goods, services, facilities,
privileges, advantages, or accommodations, unless such criteria can be shown

1 to be necessary for the provision of the goods, services, facilities, privileges,
2 advantages, or accommodations being offered;

- 3 ii. a failure to make reasonable modifications in policies, practices, or procedures,
4 when such modifications are necessary to afford such goods, services, facilities,
5 privileges, advantages, or accommodations to individuals with disabilities,
6 unless the entity can demonstrate that making such modifications would
7 fundamentally alter the nature of such goods, services, facilities, privileges,
8 advantages, or accommodations.

9 27. Plaintiff alleges that the facilities, policies, practices and procedure for entry to the Business
10 facility by persons with disabilities and their companions as established and set up by the
11 Defendants can be simply modified to eliminate disparate and discriminatory treatment of
12 persons with disabilities by properly constructing barrier-free handicapped access so as to
13 provide safe, full and equal enjoyment of the Business facilities as is enjoyed by other, non-
14 disabled, people.

15 28. The specific prohibition against retaliation and coercion is included in the Americans with
16 Disabilities Act of 1990 §503(b) and the Remedies and Procedures in §503(c):

17 a. Section 503(b) Interference, Coercion, or Intimidation. - It shall be unlawful to coerce,
18 intimidate, threaten, or interfere with any individual in the exercise or enjoyment of, or
19 on account of his or her having exercised or enjoyed, or on account of his or her having
20 aided or encouraged any other individual in the exercise or enjoyment of, any right
21 granted or protected by this Act.

22 b. Section 503(c) Remedies and Procedure. - The remedies and procedures available
23 under sections 107, 203, and 308 of this Act shall be available to aggrieved persons for
24 violations of subsections (a) and (b), with respect to Title I, Title II and Title III,
25 respectively.

26 29. Among the specific prohibitions against discrimination were included, in 42 USC
27 §12182(b)(2)(a)(iv), "A failure to remove architectural barriers, and communications barriers
28 that are structural in nature, in existing facilities ... where such removal is 3dily achievable and
(v) "where and entity can demonstrate that the removal of a barrier under clause (iv) is not

readily achievable, a failure to make such goods, services, facilities, privileges, advantages, or accommodations available through such methods are readily achievable." The acts of Defendants set forth herein violated Plaintiffs rights under the "ADA," 42 USC 12181 et seq., and the regulations promulgated thereunder, 28 CFA Part 36, et seq.

30. The removal of the barriers complained of by Plaintiff as hereinabove alleged were at all times after 1990 "readily achievable." On information and belief, if the removal of all the barriers complained of here together were not removable, the removal of each individual barrier complained of herein was "readily achievable."

31. Per 42 USC §12181(9), "The term 'readily-achievable' means easily accomplishable and able to be carried out. The statute and attendant regulations define relative 'expense' in relation to the total financial resources of the entities involved, including any 'parent' companies. Plaintiff alleges that properly repairing each of the items that Plaintiff complains of herein is readily achievable, including, but not limited to, correcting and repairing the items set forth in the Paragraphs above. The changes needed to remove barriers to access for the disabled were and are readily achievable by the defendants under standards set forth under 42 USC §12181 of the Americans with Disabilities Act of 1990. (Further, if it were not "readily achievable" for defendants to remove all such barriers, defendants have failed to make the required services available through alternative methods, although such methods are achievable as required by 42 USC §12181(b)(2)(a)(iv), (v).)

32. Pursuant to the Americans with Disabilities Act of 1990, §308 (42 USC §12188 et seq.), Plaintiff is entitled to the remedies and procedures set forth in the Civil Rights Act of 1964 §204(a), (42 USC §2000a-3(a)), as Plaintiff is being subjected to discrimination on the basis of disability in violation of this title and/or Plaintiff has reasonable grounds for believing that he is about to be subjected to discrimination in violation of the Americans with Disabilities Act of 1990, §302. Plaintiff cannot return to or make use of the subject Business' public facilities complained of herein for the purpose of entry and provision of goods and service so long as Defendants continue to apply eligibility criteria, policies, practices that screen out and refuse to allow entry and service to persons with disabilities such as Plaintiff's.

- 1 **33.** Each of Defendants’ acts and omissions of failing to provide barrier-free handicapped access
2 for Plaintiff, were tantamount to interference, intimidation, and coercion pursuant to the
3 Americans with Disabilities Act of 1990 §503(b) (now 42 USC §12203): “It shall be unlawful
4 to coerce, intimidate, threaten, or interfere with any individual in the exercise or enjoyment of,
5 or on account of his or her having aided or encouraged any other individual in the exercise or
6 enjoyment of, any right granted or protected by this Act.”
- 7 **34.** Pursuant to the Americans with Disabilities Act of 1990 §308(a)(1) (now 42 USC §12188),
8 “Nothing in this section shall require a person with a disability to engage in a futile gesture if
9 such person has actual notice that a person or organization covered by this title does not intend
10 to comply with its provisions." Pursuant to this last section, Plaintiff, on information and
11 belief, alleges that defendants have continued to violate the law and deny the rights of Plaintiff
12 and other disabled persons to access this public accommodation. Therefore, Plaintiff seeks
13 injunctive relief pursuant to §308(a)(2) “...Where appropriate, injunctive relief shall also
14 include requiring the provision of an auxiliary aid or service, modifications of a policy, or
15 provision of alternative methods, to the extent required by this title.”
- 16 **35.** Plaintiff seeks relief pursuant to remedies set forth in §204(a) of the Civil Rights Act of 1964
17 (42 USC §2000a-3(a)), and pursuant to federal regulations adopted to implement the
18 Americans with Disabilities Act of 1990, including, but not limited to, an order granting
19 injunctive relief and attorneys’ fees. Such attorneys' fees, “including litigation expenses and
20 costs,” are further specifically provided for by §505 of Title III.
- 21 WHEREFORE, Plaintiff prays for damages as hereinafter stated.

22
23 **II. SECOND CAUSE OF ACTION: BREACH OF STATUTORY PROTECTIONS FOR**
24 **PERSONS WITH PHYSICAL DISABILITIES (California Health and Safety Code**
25 **§19955 et seq.)**
26
27
28

1 36. Plaintiff repleads and incorporates by reference, as if fully set forth again herein, the
2 allegations contained in paragraphs 1 to 35 above and incorporates them herein as if separately
3 pled.

4 37. California Health & Safety Code §19955 provides in pertinent part: “The purpose of this part
5 is to insure that public accommodations or facilities constructed in this state with private funds
6 adhere to the provisions of Chapter 7 (commencing with Sec. 4450) of Division 5 of Title 1 of
7 the Government Code. For the purposes of this part "public accommodation or facilities"
8 means a building, structure, facility, complex, or improved area which is used by the general
9 public, and shall include auditoriums, hospitals, theaters, hotels, motels, stadiums, and
10 convention centers. When sanitary facilities are made available for the public, clients or
11 employees in such accommodations or facilities, they shall be made available for the
12 handicapped.

13 38. California Health & Safety Code §19956, which appears in the same chapter as §19955,
14 provides in pertinent part, "accommodations constructed in this state shall conform to the
15 provisions of Chapter 7 (commencing with Section 4450) of Division 5 of Title 1 of the
16 Government Code.. ." California Health and Safety Code §19956 was operative July 1, 1970,
17 and is applicable to all public accommodations constructed or altered after that date. On
18 information and belief, portions of the subject Business building and facilities were
19 constructed and/or altered after July 1, 1970, and substantial portions of said building and
20 facilities had alterations, structural repairs, and/or additions made to such public
21 accommodation after July 1, 1970, thereby requiring said public accommodations and/or
22 buildings to be subject to the requirements of Part 5.5, California Health Safety Code §19955,
23 et seq., upon such alteration, structural repairs or additions per California Health and Safety
24 Code §19955.

25 39. Pursuant to authority delegated by the California Government Code, the State Architect
26 promulgated regulations for the enforcement of these Code provisions. Effective January 1,
27 1988, Title 24 of the California Administrative Code adopted the California State Architect's
28 Regulations, and these regulations must be complied with as to any alterations and/or

1 modifications of the Business' facilities after that date. Construction changes occurring prior
2 to this date but after July 1, 1970, triggered access requirements pursuant to the "ASA"
3 requirements, the American Standards Association Specifications, A117.1 -1961. On
4 information and belief, at the time of the construction modification and of the Business'
5 building and facilities, all buildings and facilities covered were required to conform to each of
6 the standards and specifications described in the American Standards Association
7 Specifications and/or those contained in Title 24 of the California Administrative Code (now
8 known as Title 24, California Code of Regulations.)

9 40. Public facilities such as the subject Business are public accommodations or facilities within
10 the meaning of California Health and Safety Code §19955.

11 41. It is difficult or impossible for persons with physical disabilities who use walkers, wheelchairs,
12 canes, and service animals to travel about in public to use a facility with the defects set forth
13 above as required by Title 24 of the California Code of Regulations and the Americans with
14 Disabilities Act Access Guidelines (ADAAG). Thus, when public accommodations fail to
15 provide handicap accessible public facilities, persons with disabilities are unable to enter and
16 use said facilities, and are denied full and equal access to and use of that facility that is
17 enjoyed by other members of the general public.

18 42. Plaintiff, and other similarly situated persons with physical disabilities whose physical
19 conditions require the use of walkers, wheelchairs, canes, and service animals, are unable to
20 use public facilities on a "full and equal" basis unless each such facility is in compliance with
21 the provisions of the California Health & Safety Code §19955, et seq. Plaintiff is a member of
22 that portion of the public whose rights are protected by the provisions of California Health &
23 Safety Code §19955, et seq.

24 43. The California Health and Safety Code was enacted to "ensure that public accommodations
25 and facilities constructed in this state with private funds adhere to the provisions of Chapter 7
26 (commencing with §4450) of Division 5 of Title 1 of the Government Code." Such "public
27 accommodations" are defined to include facilities like this one.
28

1 44. Plaintiff is further informed and believes that as of the date of filing this complaint,
2 Defendants have not made accessible the facilities at the Business as set forth above.

3 45. Plaintiff, is informed and believes, and therefore alleges, that Defendants, and each of them,
4 caused the subject buildings and facilities constituting the Business to be constructed, altered
5 and maintained in such a manner that persons with physical disabilities were denied full and
6 equal access to, within and throughout said buildings and were denied full and equal use of
7 said public facilities, and despite knowledge and actual and constructive notice to such
8 Defendants that the configuration of this facility, and/or buildings was in violation of the civil
9 rights of persons with physical disabilities, such as Plaintiff. Such construction, modification,
10 ownership, operation, maintenance and practices of such public facilities are in violation of
11 law as stated in Part 5.5, California Health & Safety Code §19955, et seq., and elsewhere in
12 the laws of California.

13 46. On information and belief, the subject building constituting the public facilities of the Business
14 have denied full and equal access to Plaintiff and other persons with physical disabilities in
15 other respects due to non-compliance with requirements of Title 24 of the California Code of
16 Regulations and the California Health & Safety Code §19955, et seq.

17 47. The basis of Plaintiff's aforementioned information and belief is the various means upon which
18 Defendants must have acquired such knowledge, including, but not limited to, this lawsuit,
19 other access lawsuits, communications with operators of other similar facilities, and other
20 property owners regarding denial access, communications with Plaintiff and other persons
21 with disabilities, communications with other patrons who regularly visit there,
22 communications with owners of other businesses, notices and advisories they obtained from
23 governmental agencies through the mails, at seminars, posted bulletins, television, radio,
24 public service announcements, or upon modification, improvement, alteration or substantial
25 repair of the subject premises and other properties owned by these Defendants, newspaper
26 articles and trade publications regarding the Americans with Disabilities Act of 1990, and
27 other access law, and other similar information. The scope and means of the knowledge of
28

1 each defendant is within each defendant's exclusive control and cannot be ascertained except
2 through discovery.

3 48. As a result of Defendants' acts and omissions in this regard, Plaintiff has been required to incur
4 legal expenses and hire attorneys in order to enforce his civil rights and enforce provisions of
5 the law protecting access for persons with physical disabilities and prohibiting discrimination
6 against persons with physical disabilities, and to take such action both in his own interests and
7 in order to enforce an important right affecting the public interest. Plaintiff, therefore, seeks
8 damages in this lawsuit for recovery of all reasonable attorneys' fees incurred, pursuant to the
9 provisions of the California Code of Civil Procedure §1021.5. Plaintiff additionally seeks
10 attorneys' fees pursuant to California Health & Safety Code §I9953 and California Civil Code
11 §§54.3.

12 49. Defendants, and each of them, at times prior to and including the Visit Date, and continuing to
13 the present time, knew or should have known that persons with physical disabilities were
14 denied their rights of equal access to all portions of this public facility. Despite such
15 knowledge, Defendants failed and refused to take steps to comply with the applicable
16 handicapped access statutes; and despite knowledge of the resulting problems and denial of
17 civil rights thereby suffered by Plaintiff and other similarly situated persons with disabilities,
18 including the specific notices referred to in this Complaint. Defendants have failed and
19 continue to fail to take action to grant full and equal access to persons with physical
20 disabilities in the respects complained of hereinabove. Defendants and each of them have
21 carried out a course of conduct of refusing or neglecting to respond to, or correct complaints
22 about, denial of handicap access. Such actions and continuing course of conduct by
23 Defendants, evidence conduct in conscious or irresponsible disregard for the rights or safety of
24 Plaintiff and of other similarly situated persons.

25 50. Defendants' actions have also been oppressive to persons with physical disabilities and to other
26 members of the public, and have evidenced actual or implied malicious intent towards those
27 members of the public, such as Plaintiff and other persons with physical disabilities who have
28 been denied the proper access they are entitled to by law. Further, Defendants' refusals on a

day-to-day basis to correct these problems evidences despicable conduct in conscious disregard for the rights of Plaintiff and other members of the public with physical disabilities.

51. Plaintiff specifically does not pray for an award of treble damages against Defendants, and each of them, pursuant to California Civil Code §54.3.

52. As a result of the actions and failure of Defendants, and each of them, and as a result of the failure to provide proper accessible public facilities, Plaintiff was denied his civil rights, including his right to full and equal access to public facilities, was embarrassed and humiliated, suffered psychological and mental injuries and emotional distress, mental distress, mental suffering, mental anguish, which includes shame, humiliation, embarrassment, anger, chagrin, disappointment and worry, naturally associated with a person with a physical disability being denied access to a public accommodation.

WHEREFORE, Plaintiff prays for an injunction under this statute as hereinafter stated.

III. THIRD CAUSE OF ACTION: VIOLATION OF CALIFORNIA'S CIVIL RIGHTS ACTS (California Civil Code §§54, 54.1 and 54.3)

53. Plaintiff repleads and incorporates by reference, as if fully set forth again herein, the allegations contained in paragraphs 1 to 52 above and incorporates them herein as if separately pled.

54. The public facilities above-described constitute public facilities and public accommodations within the meaning of California Health and Safety Code §19955 et seq. and are facilities to which members of the public are invited. The aforementioned acts and omissions of defendants, and each of them, constitute a denial of equal access to and use and enjoyment of these facilities by persons with disabilities, including Plaintiff. Said acts and omissions are also in violation of the provisions of Title 24 of the California Code of Regulations.

55. The rights of Plaintiff, the entitlement of Plaintiff to full and equal access, and the denial by defendants of such rights and entitlements are set forth in California Civil Code §§54, 54.1 and 54.3, to wit:

- a. Individuals with disabilities shall have the same right as the ...general public to full and free use of the streets, highways, sidewalks, walkways, public buildings, public facilities, and other public places. (California Civil Code §54(a).)
- b. Individuals with disabilities shall be entitled to full and equal access, as other members of the general public, to accommodations, advantages, facilities, and privileges of all common carriers, airplanes, motor vehicles, railroad trains, motor buses, streetcars, boats, or any other public conveyances or modes of transportation (whether private, public, franchised, licensed, contracted, or otherwise provided), telephone facilities, adoption agencies, private schools, hotels, lodging places, places of public accommodation, amusement or resort, and other places to which the general public is invited, subject only to the conditions and limitations established by law, or state or federal regulation, and applicable alike to all persons. (California Civil Code §54.1(a).)

56. On or about the Visit Date, Plaintiff suffered violations of California Civil Code §§54 and 54.1 in that he was denied full and equal enjoyment of the goods, services, facilities and privileges of the Business as set forth in herein above. Plaintiff was also denied full and equal access to other particulars, including, but not limited to, those described herein above. Plaintiff was also denied use of facilities that he was entitled to under Title III of the Americans with Disabilities Act of 1990.

57. As a result of the denial of full and equal enjoyment of the goods, services, facilities and privileges of Defendants' Business due to the acts and omissions of Defendants, and each of them, in owning, operating and maintaining this subject Business as a public facility, Plaintiff has suffered a violation of his civil rights, including, but not limited to, rights under California Civil Code §§54, 54.1, and 54.3, and has suffered and will suffer an injury-in-fact in the form of emotional distress, mental distress, mental suffering, mental anguish, which includes shame, humiliation, embarrassment, anger, chagrin, disappointment and worry, expectedly and naturally associated with a disabled person's denial of full and equal enjoyment of goods, services, and privileges, all to his damages as prayed hereinafter in an amount within the

jurisdiction of this court. Defendants' actions and omissions to act constituted discrimination against Plaintiff on the sole basis that Plaintiff is disabled.

58. Plaintiff seeks statutory damages for the violation of his rights as a disabled person that occurred on or about the Visit Dates, according to proof, pursuant to California Civil Code §52(a), but not including any trebling of statutory damages, nor actual damages.

59. As a result of Defendants' acts and omissions in this regard, Plaintiff has been required to incur legal expenses and hire attorneys in order to enforce his rights and enforce provisions of the law protecting the full and equal enjoyment of goods, services, facilities, privileges of public facilities by the disabled, and those individuals associated with or accompanied by a person with disabilities, and prohibiting discrimination against the disabled. Plaintiff, therefore, seeks recovery in this lawsuit for all reasonable attorneys' fees incurred pursuant to the provisions of California Civil Code §52. Additionally, Plaintiff's lawsuit is intended not only to obtain compensation for damages to Plaintiff, but also to compel the Defendants to make their goods, services, facilities and privileges available and accessible to all members of the public with physical disabilities, justifying public interest attorneys' fees pursuant to the provisions of California Code of Civil Procedure §1021.5.

60. The acts and omissions of Defendants in failing to provide the required accessible facilities subsequent to the enactment date and compliance date of the Americans with Disabilities Act of 1990 and refusal to make remedial alterations to their facilities and other elements as hereinabove stated, after being notified by patrons before and after the time of Plaintiff's visit and injuries, on or about the Visit Dates, and all times prior thereto, with the knowledge that persons with disabilities would enter Defendants' premises, the reason given therefor, was an established policy, practice, and procedure of refusing and denying entry and/or use of facilities, thereby denying services to a person with disabilities and the companions thereon, evidence malice and oppression toward Plaintiff and other disabled persons.

61. Defendants have failed to establish a non-discriminatory criteria, policy, practice and procedure for entry into said Business as hereinabove described.

62. As a result of defendants' continuing failure to provide for the full and equal enjoyment of goods, services, facilities and privileges of said Business as hereinabove described, Plaintiff has continually been denied his full and equal enjoyment of the subject facilities at the Business, as it would be a "futile gesture to attempt to patronize" said Business with the discriminatory policy in place as hereinabove described.

63. The acts and omissions of Defendants as complained of herein in failing to provide the required accessible facilities subsequent to the enactment date and compliance date of the Americans with Disabilities Act of 1990 and refusal to make remedial modifications and alterations to the architectural barriers as stated herein and in failing to establish practices, policies and procedures to allow safe access by persons who are disabled are continuing on a day-to-day basis to have the effect of wrongfully and willfully excluding Plaintiff and other members of the public who are disabled from full and equal enjoyment of the subject Business as hereinabove described. Such acts and omissions are the continuing cause of humiliation and mental and emotional suffering of Plaintiff in that these actions continue to treat Plaintiff as an inferior and second class citizen and serve to discriminate against him on the sole basis that he is disabled. Plaintiff is unable so long as such acts and omissions of defendants continue, to achieve full and equal enjoyment of the goods and services of said Business as described hereinabove. The acts of Defendants have legally caused and will continue to cause irreparable injury to Plaintiff if not enjoined by this court.

64. Wherefore, Plaintiff asks this court to preliminarily and permanently any continuing refusal by Defendants to permit entry to said Business and to serve Plaintiff or others similarly situated, and to require Defendants to comply forthwith with the applicable statutory requirements relating to the full and equal enjoyment of goods and services as described hereinabove for disabled persons pursuant to the ADA. Plaintiff further requests that the court award statutory costs and attorneys' fees to Plaintiff pursuant to California Code of Civil Procedure §1021.5, all as hereinafter prayed for.

1 WHEREFORE, Plaintiff prays for statutory damages, reasonable attorneys' fees and costs of suit, as
2 allowed by statute and according to proof.

3
4 IV. FOURTH CAUSE OF ACTION: VIOLATION OF CALIFORNIA UNRUH CIVIL
5 RIGHTS ACT (California Civil Code §51 and §51.5.)
6

7 65. Plaintiff repleads and incorporates by reference, as if fully set forth again herein, the
8 allegations contained in paragraphs 1 to 64 above and incorporates them herein as if separately
9 pled.

10 66. Defendant' acts and omissions as specified with regard to the discriminatory treatment of
11 Plaintiff, on the basis of his disabilities, have been in violation of California Civil Code §§51
12 and 51.5, the Unruh Civil Rights Act, and have denied to Plaintiff his rights to "full and equal
13 accommodations, advantages, facilities, privileges or services in all business establishments of
14 every kind whatsoever."

15 67. California Civil Code §51 also provides that "[a] violation of the right of any individual under
16 the Americans with Disabilities Act of 1990 (Public Law 101-336) shall also constitute a
17 violation of this section."

18 68. California Civil Code §51.5 also provides that "[no business establishment of any kind
19 whatsoever shall discriminate against, boycott, or blacklist, refuse to buy from, sell to, or trade
20 with any person in this state because of the race, creed, religion, color, national origin, sex,
21 disability of the person or of the person's partners, members, stockholders, directors, officers,
22 managers, superintendents, agents, employees, business associates, suppliers, or customers."

23 69. As a result of the violation of Plaintiffs civil rights protected by California Civil Code §§51
24 and 51.5, Plaintiff is entitled to the rights and remedies to statutory damages of California
25 Civil Code §52, as well as reasonable attorneys' fees and costs, as allowed by statute,
26 according to proof. California Civil Code §55 is specifically not invoked by plaintiff.
27
28

70. Pursuant to California Code of Civil Procedure §425.50: (a) this complaint is filed on behalf of a high-frequency litigant, as defined; (b) 16; (c) obtain food and drink and fuel in the area; (d) to obtain food and drink.

71. WHEREFORE, Plaintiff prays that this court award damages and provide relief as follows:

PRAYER FOR RELIEF

Plaintiff prays that this court award damages and provide relief as follows:

Grant injunctive relief requiring that Defendants establish a nondiscriminatory criteria, policy, practice and procedure permitting entry into the subject Business in the City of Manteca, California, for the purpose of obtaining the goods and services accorded therein according to California Civil Code §§51, 51.5, 52, 54, 54.1, and 54.3, et seq., and Title Ill of the Americans with Disabilities Act of 1990, and grant injunctive relief requiring that Defendants repair and render safe to disabled persons, and otherwise make accessible, all public areas of the Business' business area, including, but not limited to, each of the barriers to access identified above, and make such facilities "readily accessible to and usable" by individuals with disabilities according to the standards of Title 24 of the California Administrative Code, California Health & Safety Code §19955 et seq., and Title Ill of the Americans with Disabilities Act of 1990 and the standards of ADAAG; and prohibiting operation of the Business located in the City of Manteca, California, as a public facility until Defendants provide full and equal enjoyment of goods and services as described hereinabove to disabled persons, including Plaintiff.

2. Statutory damages, according to proof, pursuant to California Civil Code §52 (minimum statutory damages of \$4,000 per visit x 2 visits (one actual visit, one deterred visit) for a total minimum statutory damages of \$8,000).

- 6 Procedure §1021.5, and Americans with Disabilities Act of 1990 (42 U.S.C. §12205); and
- 7 7. Grant such other and further relief as the court may deem just and proper.
